Sacred Heart of Jesus & Immaculate Heart of Mary

Continued from last week...

In the coming months, we shall be inviting people to join us in rekindling the First Friday and First Saturday devotions for the intentions of Peace, Family and Life. Each month: to go to confession, to receive Holy Communion and to make a personal act of sacrifice or reparation – this provides a sound foundation for personal spiritual renewal. To do so for Peace, FOR Family and for Life recognises three essential components for the Common Good. To unite these spiritual acts with the Immaculate Heart of Mary draws upon her care and concern for each of us and for the whole world. To place all our needs and intentions before the Sacred Heart of Jesus is to draw from the inexhaustible well that is God's love and mercy. To Jesus, through Mary! Immaculate Heart of Mary, pray for us. Sacred Heart of Jesus we place all our trust in You. Amen.

Little children of Ireland have a lovely day to look forward to this week. The National day of Prayer for Children takes place this coming Friday, the 14th October. Organised by the Society for Missionary Children, the occasion gives children a good opportunity to think of those children who are less fortunate, to pray for those less fortunate and to share with those less fortunate. Children love

to know that they are important members of a global circle of praying, sharing and caring, in this, the Mission Month of October. They have generous hearts, missionary hearts, and so are open to the idea of including other little children in their thoughts. The National Day of Prayer is now in its ninth year. For further information on the Society of Missionary Children or to make a donation please visit www.wmi.ie.

The 4th Quarterly 2016 Second Collection for Diocesan Needs is scheduled to take place this weekend. The success of these collections since 2011 has greatly assisted in the operation of the Diocesan Central Account in meeting the day to day running costs of the Diocese. The quarterly collection has averaged at €56,000 per quarter in 2016, a small decrease from the 2015 average of €60,000 per quarter. The collection still amounts to a significant contribution, approximately 20%, of the overall Income of the Central Fund of the Diocese, which pays the running costs of Diocese.

Nano Nagle Foundress of the Presentation Sisters

Nano Nagle, foundress of the Presentation Sisters, was made Venerable by Pope Francis in 2012. Since then we are actively encouraging prayer for a miracle which is required for her canonisation. Nano set up several hedge schools in Cork in the 1700's at a time when Catholic education was forbidden. She was a pioneer of Catholic education. She founded the Presentation Congregation on Christmas Eve in 1775, in South Presentation Convent. There she continued to work tirelessly until her death in 1784. She was fondly known as 'The Lady of the Lantern' due to the fact that was regularly seen moving through the streets at night visiting the old and lonely. It is hoped that Pope Francis will visit Ireland in 2018 for the 9th World Meeting of Families. This will be an opportunity to ensure that the Pope gets to know more about Nano. 2018 is a very significant year for the Presentation Sisters also for the following reasons. It marks the 300th anniversary of the birth of Nano Nagle. An international Gathering of Presentation will take place in 2018. Phase 2 of the South Presentation development – Nano Nagle Place -will be completed that year. We are inviting you all to join with us

in promoting devotion to Nano and praying for a miracle.
